

The Shadow NATO Summit: Options for NATO - pressing the reset button on the strategic concept

This inaugural Shadow NATO Summit took place in Brussels on 31 March - 1 April 2009 to coincide with NATO's 60th Anniversary Summit. It brought together senior NATO officials, civil society and policy experts to identify, share and examine ideas on NATO's future, including a new Strategic Concept. It was organised by the British American Security Information Council (BASIC), Bertelsmann Stiftung, International Security Information Service (ISIS) Europe and NATO Watch with the support of the Marmot Charitable Trust.

For paper copies of the Executive Summary please contact NATO Watch.
